

# GoCrypto

## for OpenCart 3.x

- 1** The GoCrypto plug-in is available at [https://public.gocrypto.com/webshop\\_plugins/opencart\\_v3/gocrypto\\_opencart\\_v3\\_latest.ocmod.zip](https://public.gocrypto.com/webshop_plugins/opencart_v3/gocrypto_opencart_v3_latest.ocmod.zip)

**2** Log into the OpenCart administration:  
Enter your online shop link **https://domain.com/admin** into the online browser; in this, change the **domain.com** string into your domain name.

**3** Click **Extensions > Installer** on the left side of the menu.

**4** Installation:

- click the **Upload** button and
- select the **GoCrypto** plug-in from the list of files.

The plug-in will download automatically.

**5** Click **Extensions-> Extensions** on the left side of the menu and select **Payments** from the **Choose the extension type** list.

Select **GoCrypto** from the list. Click **Install** and then **Edit**.

**6** Change the **Status** option into **Enabled** to activate the plug-in.

**7** Enter your **Client ID** (received by e-mail or by post) into the **Client ID** field.

**8** Enter your **Client Secret** (received by e-mail or by post) into the **Client Secret** field.

# The GoCrypto installation into your online shop was successful
